Mike,

This is a follow up to the email that Audra sent you containing the final C-141 for the Willow Lake. We provided confirmation sampling and seeding at this location. I have attached the analytical data and site map for this release. Please review everything and let me know if you have any questions or concerns. If you are ok with everything I know that Pyote would like to get this RP closed as soon as possible. Thank you.

Respectfully,

Sheldon L. Hitchcock
