**Subject:** RE: Final C-141 Old Drilling spill Cotton Draw 10 Fed 3H

Your closure proposal is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

I had previously emailed the closure plan but not the correct final C-141. Thank you.
