RE: Devon Energy * Ross Ranch 10 Fed 1 SWD * 30-015-29605
2RP-3427 * Date of release: 11/24/2015

Kimberly,

OCD concurs with BLM approval for your proposal for remediation of the above referenced release.

ATTN Brett: OCD has two other RP's pending for this site (2RP-1136 & 2RP-2342). 1136 just needs a Final C-141 to close. 2342 may need a little more investigation that Devon may be able to incorporate into this remediation. – Thanks

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.
