Mr. Machacek,

I am with the New Mexico Oil Conservation Division in Artesia, New Mexico. One of our field inspectors came across what appears to be produced fluid releases at two sites operated by Sabre Oil & Gas. Please contact the District 2 office to discuss requirements for reporting and remediation of these sites. I will send the 2nd site photos in a separate email.

Thank you,

Mike Bratcher

MR. BRATCHER

FYI.

YATES FEDERAL 009 TANK BATTERY 30-015-01027-00-00 32.59656/104.31710 SABER OIL STAINING AROUND TANK BATTERY. APPEARED TO HAVE NO LINING IN CONTAINMENT.
