Our system blocks access to those sites and it takes an act of congress to get our IT people to allow access. If you have the report in some other format (word, etc) that will work. I should be able to convert it to what I need.

Mike,

I sent a link to a drop box where I save the "Remediation Summary and Site Closure" proposal for 2RP-3210. Just click on the link and it should allow you to download the complete file. Let me know if you have any trouble.

Harley,

I just did a search of all email. I don't have an electronic version of the closure report/Final C-141. – Thanks,

Mike,

I sent the Abo 16" Inlet Pipeline 2RP-3210 in PDF format via email. From past experiences, please confirm you received it; sometimes email security will kick it out as spam mail.

Harley,

I received a hard copy of your "Remediation Summary and Site Closure" proposal for 2RP-3210. Could you please send an electronic PDF version of that proposal?

Thank you,

Mike Bratcher
