Shelly,

Here is the analytical data for that last email. – Mike

Subject: Fwd: SALT DRAW 1 CLEAN UP

Mike,

Attached the results from the requested samples at 6 feet below ground surface (HA1 6') and 7 feet below ground surface (HA1 7') in the area of B36 in the tank battery area. Please advise as soon as you can if we can close the excavated spill area.

Thank you!
Crissy
