Sheldon,

The proposal includes confirmation samples in the area where elevated hydrocarbons were detected, so with that, it looks good to go. I did have a hard copy of the workplan. Tracking number is **2RP-1893**.

Mr. Bratcher,

Please see the attached work plan for the DCP 20200 release. As we discussed today, this work plan has already been approved by the BLM and I'm not sure if it was ever submitted to you. Please let me know if you have any questions or concerns.

Respectfully,

Sheldon L. Hitchcock
