---

Good Morning Heather!

I hope that you had a wonderful and blessed Easter. The picture that you had attached appears to be the Devon Ore Ida 14 Federal 1 location API 30-015-28956 in Eddy County. I have drafted the closure and final C-141 for Brett Fulks to review and sign. Please confirm that the Ore Ida is in your district. I will forward as soon as I have Brett's concurrence.

Thank You

Rebecca Pons

Jamie and Rebecca,

The project that Rebecca and I spoke about over the phone appears to be in the Hobbs district. I'm sorry for any confusion!

Hi Heather,

Per your request; I am sending you a picture of the flowline that presented a problem in the excavation (you gave an exception). Also, I wanted to let you know that our project manager took samples of the lease road.

These are the field results:

At 6" 836 mg/kg cl-

At 1' <108 mg/kg cl-

I will commence with drafting the closure report for this site and should have it submitted to you by the end of next week. If you have any questions, please call me.

Thank You

Rebecca Pons
