**** External email. Use caution. ****

Robert,

Sorry for not getting with you earlier on this, but I notice on the last few of these finals, it is just a copy of the initial C-141. On these releases in containments, we need some language in the "Describe Area Affected and Cleanup Action Taken" section that indicates gravel was removed/replaced, or cleaned, etc. something to that effect. I believe a couple of the first ones had that mentioned on them. I will be out of the office for a couple of days, but if needed, I can put together a list of the ones I need amended.

Thanks,

Mike Bratcher
