Good Morning, Amber,

NMSLO is in concurrence that remediation has been reached. Please be advised that this release will remain in the monitoring stage until the desired vegetation stated in the surface restoration plan has been achieved.

Thank you,

Amber,

Your request for closure of the above referenced release is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, please contact me.
