Subject: DCP BE-7-4 Loop Site Characterization and Work Plan
Attachments: BE-7-4 Loop - SCRWP_Final.pdf

Good Morning,

On behalf of DCP Midstream, Tasman Geosciences is providing the attached BE-7-4 Loop Site Characterization and Remediation Work Plan (SCRWP) which describes the results of the Site investigation and proposed remediation activities. If you would like to have a conference call to discuss the attached report or if you have any questions or require additional information regarding the activities discussed, please feel free to contact me anytime.

Regards,

Brian Humphrey
Program Manager
