RE: Bullwhip Water Solutions, LLC \* Bullwhip Water Recycling Facility 1 \* **2RF-108**

Ben,

The Bullwhip Water Solutions permit for the above referenced Recycling Facility is approved. Please reference **2RF-108** on future correspondence and when submitting monthly C-148 volume reports. Please advise once construction has been scheduled. Be aware that if the site has a PA marker in place, you will need OCD approval to move it.

OCD approval does not relieve the operator of liability should their operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

Thank you,

Mike Bratcher
