Subject: FW: Lime Rock ASAU Trunk 2RP 3893`
Attachments: Response 2 for RP-2 3893 Denial.docx

Bradford and Mike

The attached was written on 1/10 and you should have received it on the 11th.
I have no record that the attachment left my email. The well is being installed today, which is how I realized I had no record of this going out.

I believe I faithfully recorded the conversation with Bradford with respect to responding to the denial of the initial workplan.
