Thank you Jim for reviewing and approving our work plan based on the most recent soil borings. I already have been in contact with our foreman and D.K. and I expect that we will swiftly move into action to finally get closure to this site.

Thanks again and I will be in touch as soon as we execute our work plan.

Nathan,

Having reviewed relevant information including the results of your recent boring program, the OCD hereby approves the remediation workplan dated October 10, 2011 concerning the accidental release of fluids at the Goodnight 1 Fee #1H wellsite (API 30-005-64132 along with 2R-564 and 2R-812). Please proceed at your earliest opportunity. Keep a copy of this email in your files as no original will be sent. Thank you.
