Mike,

Please find attached the field notes from the additional vertical delineation and sidewall samples at T1 per your request. I apologize for these notes not being in the closure report. If you need anything else, just let me know.

Thanks, Cliff

RE: COG \* VT 36 St 1H \* 2RP-3781

Cliff,

The remediation proposal calls for additional vertical delineation and sidewall samples at T1, using field analysis. Do have that data available?

Thanks,
