OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Ms. Tucker / Ms. Groves

I am now handling all New Mexico spills for COG (Federal and State). This release was incorrectly reported and should have been sent to the BLM. I apologize for the mistake. Please let me know if you have any questions or concerns.
