Dylan,

OXY's form C-147 registration for the above referenced recycling facility and containments is approved with the following conditions of approval:

- OXY agrees to construct, operate, maintain and close the facility and containments in full compliance with all aspects of 19.15.34 NMAC
- Provide proof of surface owner notification
- Submit design and construction information for the AST modular tank

OXY's request for a variance from netting requirements and use of audible avian species protection system is approved.

OCD notes OXY has submitted a revised survey plat for the fluid impoundments.

Per NMOCD Environmental Bureau instructions, the following identification numbers have been issued for this facility:

Turkey Track Recycle Containment North: **2RF-110**

Turkey Track Recycle Containment South: **2RF-111**

Please reference these ID numbers on all future correspondence and when submitting monthly Form C-148 volume reporting forms.
