RE: COG * CCAP St Com 6H * 2RP-4223 * DOR: 5/23/17

Greetings,

The proposal for remediation of the above referenced release is approved. OCD requests to review the delineation/confirmation sample data prior to backfilling excavation. Please advise once remedial activities have been scheduled.

Thank you,

Mike Bratcher

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
