Eric,

Please make sure to send any and all environmental submissions to myself and Mike Bratcher at the District II Office out of Artesia.

We unfortunately don't have the time for a conference call any time soon. Please remit your questions to us in email form and we will get them answered for you as soon as we are able.

If you insist on speaking to someone directly, please contact Jim Griswold or Bradford Billings out of our Santa Fe office and perhaps they can arrange a time to discuss your questions with you, Jim.Griswold@state.nm.us or Bradford.Billings@state.nm.us

Thank you,

Crystal Weaver

Crystal,

On behalf of Southwest Royalties Inc/Noble Permian LLC I would like to set up a conference call with you, myself, and Jonathan Pennington. We are finished delineating the Pogo 36 state #1 Battery, and before we begin the work plan to remediate the site I have a couple questions I would like to ask you. Please let me know if you are available for a conference call.

Thank You,
