RE: EOG Resources \* Ross EG Fed 3 Tank Battery \* **2RP-4354** \* DOR: 8/8/17 \* Private Surface Owner

Chase,

Your proposal for characterization of the above referenced release is approved. Please advise once delineation activities have been scheduled.

Thank you,

Mike Bratcher  
NMOCD District 2  
811 South First Street  
Artesia, NM 88210  
575-748-1283 Ext 108

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
