**Subject:** RE: Initial C141

Heather,

I will agree with NMOCD on work plan approval, with the condition that the area in between the two lines be re-seeded.

Thank you,

### Amber Groves

Thank you, Mike.

We have a tentative plan to get out there next Wednesday, but the weather may not cooperate with us. I'll let you know for sure.

Thanks again,

Heather Patterson

RE: Judah Oil LLC \* Ford 002 \* 2RP-4390 \* DOR: Discovered 8/7/17

Heather,

SMA's proposal for remediation of the above referenced release is approved. Please provide OCD with the field screen data obtained during hydrovac ops, for review, prior to backfilling. Please advise once remedial activities have been scheduled.

Thank you,

Mike Bratcher  
NMOC District 2  
811 South First Street  
Artesia, NM 88210  
575-748-1283 Ext 108

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Good Morning,

Please find the attached the work plan for 2RP-4390.

As for 2RP-4081, I apologize for not send an update sooner. This past spring SMA scraped the location and hauled away the worst of the contaminated soils. We plan to pull our closure samples when we mobilize to clean the second release.

Thank you,

**Heather Patterson**

RE: Judah Oil \* Ford State #2 \* 30-015-22714 \* 2RP-4390

Blaise/Heather,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval. The OCD tracking number for this event is 2RP-4390. **Please remit a site characterization plan or advise OCD of plan of action by no later than 9/30/17.**

**Please note:** OCD had received a work plan proposal on 3/9/17 for case number 2RP-4081 and had issued a denial for this proposal (attachment above is of OCD denial and reasoning) and required an alternative work plan be sent in. OCD has yet to receive any further submission since. **Please also provide an update to OCD regarding this release by no later than 9/30/17.**

Thank you,

**Crystal Weaver**

Good Morning,

Please find the attached initial C-141 for the produced water spill at the Judah Oil Ford State #2 (30-015-22714).

Let me know if you have any questions.

Thank you,

**Heather Patterson**
