RE: Vanguard Operating (Formerly Lime Rock) * Staley St 6 * 2RP-624 * DOR: 2/8/11

Greetings,

Vanguard's proposal for remediation of the above referenced release is approved. Please advise once remedial operations have been scheduled.

Thank you,

Mike Bratcher

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
