RE: Devon Energy Corporation * Todd 2 Water Treatment Facility * **2RF-114** * 2-23s-31e

Mr. Bruening,

Please find attached, approval for the above referenced Recycle Facility and associated containment. The NMOCD permit/registration number assigned for this facility/containment is **2RF-114**. Please reference this identification number on all related future correspondence and when submitting monthly Form C-148 volume reports.

As a condition of approval, Devon agrees to construct, maintain, operate, and close this facility and/or containment in compliance with all aspects of 19.15.34 NMAC. Please advise once construction operations have been scheduled.

If you have any questions or concerns, please contact me or Bradford Billings.

Thank you,

Mike Bratcher

OCD approval does not relieve the operator of liability should their operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
