RE: COG * West Brushy 8 Fed 1 SWD Line Leak * **2RP-4330** * DOR: 7/27/17

Cliff,

Your proposal for remediation of the above referenced release is approved. It is OCD's understanding that BLM approval has been obtained.

Thank you,

Mike Bratcher

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
