Amy,

Can I get an update on this site, please? I am showing that the delineation plan was due to NMOCD on March 21, 2017.

Thank you,

Please find the initial form C-141 for the spill that occurred on our Los Medanos State Battery recently. As stated, we have excavated the source for repair and have hauled those saturated soils to disposal. We will continue with a work plan. Thank you and please call with any questions/concerns.
