RE: COG \* Patron 23 Federal #4H \* 30-015-42451 \* 2RP-4286

Becky,

Sorry for the delay on this one. It and quite a few others had been misplaced. I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval. The OCD tracking number for this event is 2RP-4286. Considering the delay OCD will accept release characterization work plans 15 days from today's date.

**Question:** Any update on the sampling for this one? Just wanted to follow up on that since you all had an email thread going regarding it with Mike last week.

Thank you,
