RE: BOPCO, LP \* PLU Central 2 Recycling Facility \* **2RF-124** \* A/H-11-25s-30e \* Eddy County, NM

Stephanie,

The Form C-147 submitted for registration and permitting of the above referenced recycling facility and related recycling containments is accepted/approved. The facility has been assigned NMOCD Admin Permit number **2RF-124**. The west side of the containment is assigned **2RF-124A** and the east side of the containment assigned **2RF-124B**. Please use these reference numbers for all future correspondence and for monthly Form C-148 volume reporting.

BOPCO has requested variances from 19.15.34.12 A (4) liner requirements, 19.15.34 12 D (2) fencing requirements, and 19.15.34 12 E netting requirements. These three variances are approved as requested in the submittal.

As a condition of approval, BOPCO agrees to construct, operate, maintain and close the facility and related containments in compliance with 19.15.34 NMAC.

NOTE: Page 1-1 of the submittal indicates surface owner notification was provide to the State. Surface owner at this site is Federal. Please provide BLM with surface owner notification.

OCD approval does not relieve the operator of liability should their operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
