OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Mr. Bratcher & Ms. Groves,

Trinity Oilfield Services, on behalf of Cambrian Management, is pleased to submit the attached "Delineation Plan" for the Dorstate SWD release site in Eddy County (2RP-4364). Trinity is prepared to begin the proposed delineation activities upon your review and approval.

If you should have any questions, comments, or concerns, please do not hesitate to contact me by telephone or email.

Thank you for your time and consideration.

Respectfully,  
Ben J. Arguijo
