Mike,

This message is to confirm our discussion yesterday on July 12, 2011 concerning the remediation plan for the above referenced site. Per our discussion and mutual agreement, Oxy will negotiate with the BLM about using a soil amendment to spray on the side of the hill where the spill occurred. Oxy will keep the OCD informed of the progress.

If you would please respond back with your concurrence, it would be greatly appreciated. Thanks again for your time involving this matter.

Thanks, Cliff
