RE: EOG * Junior AWW State #4H * 30-015-36421 * 2RP-4612

Yvette/Bob,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval (COA). The OCD tracking number for this event is 2RP-4612, please refer to this tracking number on any and all submissions sent in to the OCD. Please remit a site characterization plan (see COA document included in attachment) or advise OCD of plan of action immediately since this one has a due date of 3/12/18 and that has passed.

Thank you,

Crystal Weaver
