Mr. Reich,

Mike Bratcher here in my office seems to have gotten copied on quite a few other submissions sent in by you lately that I did not get copied on. Would you mind forwarding those items to me too and then continue to copy us both in anything you send in thereafter. Thank you.

We are good with what you are proposing to do below in your email regarding delineation. Please make sure to follow delineation guidelines that are outlined in the Conditions of Approval (COA) document. Also please let us know the exact date and time in advance, as best you can, so that we have time to prepare and decide if we are able/desire to come out and witness said delineation efforts.

Thank you,

Ms. Groves, Ms. Weaver, Mr. Bratcher;

On behalf of Concho Operating LLC., ASSI would like confirm intentions to proceed with horizontal delineation utilizing air rotary drilling techniques at the White Oak State #001. ASSI personnel along with COG and Scarborough Drilling will be onsite to perform field activities (i.e., soil sampling). Field activities are proposed between July 26<sup>th</sup> and August 2<sup>nd</sup> 2017. Notification to the New Mexico 811 system have been completed. Any concerns, questions or stipulations of any kind should be addressed to me directly.

Thank you for your time,
