Mike,

Please find the attached Delineation Workplan and remediation proposal for the COG Admiral Fed Com 2H Battery (2RP-4664) that we discussed in your office on June 8, 2018. COG is looking forward to the OCD's approval.

Shelly – COG requests that you review this plan and look forward to the BLM's approval as well.

If you have any questions, please let me know.

Thanks, Cliff
