Hello Mr. Fulks,

OCD has received your final C-141 and closure report for 2RP-4109, thank you! This closure has been approved. Please let me know if you have any questions.

Best Regards,

*Maria Pruett*

*OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.*

Mike,

Both attachments are C-141's. One is in word, the other a pdf. Is there a closure report for this incident?

Thanks,
