Subject: Closure Approval 2RP-4190 Corral Canyon Federal #4 H Termination Request Report
Date: Monday, August 20, 2018 8:51:00 AM

Good Morning,

OCD has received your final C-141 and closure report for 2RP-4190, thank you! The closure has been approved. Please let me know if you have any questions.

Best Regards,

Maria Pruett

Environmental Specialist
N.M. Oil Conservation Division
District 2
811 S. 1st Street
Artesia, NM 88210
Desk: 575 748-1283 X 101
Cell: 575 840-5963
Fax: 575748-9720

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Subject: Corral Canyon Federal #4 H Termination Request Report

Good Morning Mike:

Basin Environmental Service Technologies, LLC (Basin) on behalf of XTO Energy (XTO) has prepared this Termination Request Report for the Corral Canyon Federal #4 H site.

The site is located at UL/P Sec. 5, UL/A Sec. 8 T25S R29E, lat. 32.152057 , long -103.998431 and the NMOCD Reference Number ID is RP-4190.

The letter report contains a detailed site location description, a summary of the release, site characterization information, subsequent remedial efforts and the placement of erosion controls.

Photo documentation of the release, the subsequent remedial efforts and placement of erosion controls is provided.

Please contact me with any questions regarding this Termination Request Report.

Sincerely,

John P. Farrell
