OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Subject: Release Notification - Ross Draw 3031 Federal 1H (API - 30-015-44446)

Good Morning,

This is sent as notification of a release of fluids in an amount greater than 25 barrels. The release to lined containment occurred late yesterday due to frac activities associated with the referenced facility. Details will be provided with a form C-141. Please call with any questions or

concerns. Thank you.

Respectfully,

Amy C. Ruth
