Subject: [EXTERNAL] Closure Approval 2RP-4339 Cedar Canyon 29 Federal Com 3H- Final C141

Hello Mr. Dittrich,

OCD has received your final report and C-141 for 2RP-4339, thank you! This closure has been approved. Please let me know if you have any questions.

Best Regards,

Maria Pruett

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
