*OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.*

Mr. Bratcher/Mr. Mann,

Please find the attached closure report for the SRO State Com #013H. This closure addresses the incidents that occurred on July 31, 2017 (2RP-4313) and August 17, 2017 (2RP-4328). Both of these releases impacted the same area of the pasture adjacent to the tank battery. If you have any questions or concerns please do not hesitate to contact me.

Thank you,
