Hi Maria,

I apologize for this not being sent to you initially. It has been crazy busy for me lately as I know it has for you as well! Attached is the first Initial C-141 I did and also an updated version which we will be adding to. Thank you and have a nice day!

I had submitted the C-141 to the NMOCD per your request last week. Below was her response. Would you like me to fill the new C-141 out for you and send to you to sign?

Hi Jacqui,

Thank you for the form! Please fill in the information on the updated C-141 form per the Revised Spill Rule, the links are below. Let me know if you need any further information or additional assistance.

Guys,

I thought I sent this out last week but just got to looking and I didn't. Attached is the C141 and sample map. The estimated cubic yardage amount is 2,940. I need bids asap for a dig and haul. We will pay for disposal and backfill as per usual. No liner needed on this.

SMA- I will need you to bid the closure reporting and sampling for Blade. Thanks !
