Subject:	2RP-5047 Closure Approved RE: [EXT] Initial/final C-141 for release at James Ranch Unit 21 SWD Battery - 10/3/18
Date:	Wednesday, November 14, 2018 5:58:00 PM

Hello Mr. Foust,

OCD has received the C-141 Release Notification, thank you. This has been assigned 2RP-5047. The closure is also approved. Please note for future submissions, please also fill in C-141 page 6 and give 2 day notice for liner inspection.

Best Regards,

Maria Pruett

Fax: 575748-9720

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
