| | | | | | |
| Per 19.15.29.8 B. (4) NM. | AC the responsible party may commence re | emediation immediately after discovery of a release. If remediation | | | |
| has begun, please attach a narrative of actions to date. If remedial efforts have been successfully completed or if the release occurred within a lined containment area (see 19.15.29.11(A)(5)(a) NMAC), please attach all information needed for closure evaluation. | | | | | |
| I hereby certify that the information | mation given above is true and complete to the b | est of my knowledge and understand that pursuant to OCD rules and | | | |
| regulations all operators are r | equired to report and/or file certain release notif | ications and perform corrective actions for releases which may endanger | | | |
| public health or the environment. The acceptance of a C-141 report by the OCD does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to groundwater, surface water, human health or the environment. In | | | | | |
| addition, OCD acceptance of and/or regulations. | a C-141 report does not relieve the operator of r | esponsibility for compliance with any other federal, state, or local laws | | | |
