OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Subject: Marathon Oil Company - 24 Hour Notice - Black River 15 10 State Com X 3H

Good evening,

At approximately 10:00 am, the Operator reported a small fire from the flare at the Black River 15 10 State Com 3X (API: 30-015-43960). The treater hi leveled, allowing fluids to travel down the flare line and exit the flare. A small fire was observed around the perimeter of the flare and self-extinguished. The well was shut-in pending repairs.

Thank you,
