Good afternoon,

Please see the attached initial C141. Also, the vac truck tickets states oil but was condensate.

Let me know if you have any questions.

Callie

Subject: Marathon Oil Company - Henry Grande 1 - 24 hour notice

Good morning,

Yesterday at 8:56 am, the Pumper reported one of the tanks had overflowed, releasing 25 bbls inside containment. Standing fluids have been recovered.

Thank you,
