Subject: [EXT] Initial & Closure Release Report - CGP1 Location (Enterprise Field Services, LLC)

Good morning,

Please find the attached the initial and closure section of the C-141 form. This event only involved the controlled release of natural gas for the repair of a pipeline isolation valve, no pipeline liquids were released. As such, the closure report attachment checklist is not applicable to this release and these sections of the submittal were not completed. No further submittals are required related to this release.

If you have questions or require additional information, please contact Alena Miro at (575) 628-6802 or by email at ammiro@eprod.com.

Thank you,

Michelle Piech
