BLM accepts your delineation proposal.

If you have any questions or concerns, please do not hesitate to contact me.

I will be leaving the BLM on February 15, 2019. Jim Amos (jamos@blm.gov or 575.234.5909) will be taking over as the lead for all spills and releases. Please include Jim on all future spill issues. I am trying to close out the open projects I have before I leave.

Sincerely,

Shelly J Tucker

The **BLM acceptance/approval does not** relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment or if the location fails to reclaim properly. **In such an event a site does not achieve successful restoration, or future issues with contaminants are encountered, the operator will be asked to address these issues until they are fully mitigated and the location is successfully reclaimed.** In addition, BLM approval does not relieve the operator of responsibility for compliance with any other federal, state or local laws/regulations.
