OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Subject: Marathon Oil Company - 24 hour notification - Cypress 1H

Good morning,

Last night at 6:30 pm, a third party working near the Cypress 1H location reported a load line leak. Upon further investigation by the Operator, the water load out valve at the load out pot was left cracked. Approximately 103 bbls of produced water was released. Approximately 60 bbls of standing fluids were recovered via vac truck.

A C141 will be submitted shortly.

Thank you,

Callie Karrigan
