Ashley,

We have received your closure report and final C-141 for **2RP-5476 Remuda Basin SWD #1**, thank you. This closure is approved.

Please let me know if you have any further questions.

Regards,

Robert J Hamlet

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
