Kelly,

We have received your closure report and final C-141 for **1RP-5440 NL3F Com #1H Battery**, thank you. Victoria reviewed the report and just needed the signed/dated closure page. The closure is approved.

Please let me know if you have any further questions.

Thank you,

I just saw that Victoria had pulled the closure report off of the payment portal. Let me see if she reviewed it and I'll get right back to you. Sorry for the confusion.

Thanks

Hello again,

I could have sworn I sent all of that. I will submit it again this morning. Do I have to submit the fee again for the closure?

Kelly
