Subject: [EXT] XTO-Extension Request- West Brushy Draw 33 1 Battery (Incident Number: NRM2001040198)

All,

XTO is requesting an extension to the current deadline of January 30, 2020 for submitting a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC at West Brushy Draw 33 1 Battery. The release was discovered November 1, 2019 and initial site assessment was conducted. Remediation activities are currently ongoing and the collection of final confirmation samples is expected to be complete within the next week. In order to complete the remediation work and submit a remediation work plan or closure report XTO requests an extension of this deadline until February 30, 2020.

Thank you,

A proud member
of WSP
