Re: NM-90521
Lot 7 of Section 6-24S-28E, NMPM
Eddy County, New Mexico

Gentlemen:

Please accept this letter as notice that Marbob Energy Corporation spudded our Neff's Close-ology Fee No. 1 well on February 28, 2003 at 4:00 a.m. Copies of spud reports are attached. As you may recall, the above referenced federal lease was set to expire at midnight on February 28, 2003. Said lease was communitized with other fee leases under Communitization Agreement NMNM109668 covering the south half of Section 6.

Additionally, Marbob Energy Corporation verbally notified Jim Amos with the Carlsbad field office of our spudding. We requested that a BLM representative visit the drill site to verify our actions. Please do not hesitate to contact us should you require further documentation of spudding. Thank you for your assistance with this matter.

Sincerely,

Dean Chumbley
