Hi Cindy,

Here I go again. I messed up, I did a C-104 and C-105 with an amended TVD and called it County Line Tank; Wolfcamp 97712. Paul Kautz changed it to County Line Tank; Abo 97197 and I thought that was incorrect and he agreed with me. Come to find out that it really is supposed to be County Line Tank; Abo 97197. I did a sundry stating that back on 3/2/09. Could you please change it back and re-scan the C-104 and C-105 with the amended TVD so that I can print it out for our records. I am so sorry for the misunderstanding and inconvenience, I'm not sure what was going on in my head that week that I got this back. Here's the link with the sundry that was scanned in your system. If you have any questions please let me know. Thanks so much!!
